Dear Secretary DeVos,

Thank you for the opportunity to provide comment on the final report of the Task Force on the Federal Regulation of Higher Education.

Calvin College has reviewed the report and supports all recommendations made by this task force. In addition, I have attached comments and observations from those in our institution who bear primary responsibility for regulatory compliance. We believe that deregulation in the recommended areas will enhance educational opportunity and quality for our students and help us to direct resources in a manner that improves efficiency and effectiveness of our educational offerings.

Thank you again for the opportunity to participate in this process.

Sincerely yours,

Michael K. Le Roy, Ph.D.
President
