Re: Docket ID: ED-2017-OS-0074

Dear Ms. Malawer:

Opportunity Resources Inc. comment is in regards to regulations and sub-regulatory guidance issued by the U.S. Department of Education (DoEd), Rehabilitation Services Administration (RSA) for the purpose of implementing the integrated settings criteria under the definition of competitive integrated employment [34 CFR §361.5(c)(9)(ii) and 361.5(c)(32)(ii)] in the Workforce Innovation and Opportunity Act. These regulations and guidance are having an unintentional, but deleterious, job-killing impact for people with significant disabilities. Specifically, RSA's guidance is indiscriminately disqualifying vocational rehabilitation job placements to certain nonprofit agencies (NPAs) based upon their participation in the congressionally-mandated U.S. AbilityOne Program.

The language in the integrated settings criteria promulgated by RSA restricts access to quality competitive integrated jobs for people with disabilities and is inconsistent with other parts of the regulation, the department's longstanding practice and technical guidance. My state's vocational rehabilitation (Montana VR) agency is one of at least 19 states that have stopped referring and placing individuals with disabilities through NPAs that participate in the AbilityOne Program.

Opportunity Resources Inc. is an NPA participating in the AbilityOne Program and creates 35 high paying jobs with health benefits included. Because referrals and placements from state vocational rehabilitation counselors have ceased employment opportunities at my agency may be un-filled. Deserving individuals with significant disabilities are denied these opportunities and the ability to be a vital part of our community.

We request that the DoEd immediately rescinds the FAQ guidance (posted on DoEd's website, <https://www2.ed.gov/about/offices/list/osers/rsa/wioa/competitive-integrated-employment-faq.html>) related to the definition of integrated settings and issue clarifying guidance and that employment at community rehabilitation programs, including employment positions funded through the AbilityOne Program, may be considered competitive integrated employment as long as it meets the criteria defined in RSA-TAC-06-01 and the WIOA (P.L. 113-128).

Thank you for the opportunity to comment on existing regulations that eliminate jobs, or inhibit job creation.

Sincerely,

*Kurtis N. Mayne*
